## Staff Spotlight

### Casey Dezzi Worship Leader

Casey has attended Taylor Christian since October of 2015. She became worship leader in March of 2017.

She knew from the time she was 10 years old that God had called her to be a worship leader and she is so thankful that He chose to bring her to Taylor Christian for her church home.

Casey graduated from Wayne State University in 2019 with a degree in Secondary Mathematics Education. She started teaching high school in 2019. She is currently a math teacher at a middle school in Detroit. She is a firm believer in God having a sense of humor because when she was in middle and high school, she hated math.

When Casey isn't teaching or leading worship, she loves to spend time with her family (especially her adorable nephew, Oliver) and her boyfriend Caleb. She is having a great time figuring out the adventure that is the path God has set before her.
